

The Bristol School of Dancing

Further Summer School Testimonials:

Summer School Thanks:

I just had to write to say a HUGE thank you for everyone involved with summer school this week. My girls have literally loved every minute and it has been wonderful to see how happy they all were coming home every evening chatting about their day. The Performance today was absolutely amazing and I have honestly not seen better from a professional production. The older dancers are really something to aspire to.

Thanks again – we are already looking forward to next year!

Regards, Rachael Lewis (Alanna, Neve & Angel)

I am very interested on behalf of my daughter Pearl - please let me know at the earliest opportunity when I can book her in for 2012.

I would like to take this opportunity to thank all the staff and helpers involved in the 2011 summer school - extraordinary professionalism; wonderful performances; thank you!

Dear Miss Redgrave, Felicity, Miss Ellie et al.,

When I first attended Summer school some 26 years ago it was one of the most amazing times of my life. My sisters and I came every year and every year it got better and better.

Today, as I sat watching my darling six year old, Georgina, perform her Tiddlywoo, her bare necessities and her move it move it, I relived all those wonderful times. In just a week she has changed into this wonderful, funny if not to say pretty good dancer who stood confidently on that stage and performed her heart out, and it is a total credit to you and all your teachers, helpers and whoever else who can turn out such a professional, polished show in just a week.

I have said it before and I will continue saying it Bristol school has always been and will continue to be the best.

Much love and thanks to you all,

Erika Prout (nee Bultitude)
