SUMMER SCHOOL (and other) 2014 TESTIMONIALS:

Dear Miss Redgrave,
Thank you for pushing me so hard that I have reached my destination.
Lots of love from K

I just wanted to say a massive 'Thank You' to you both (Angela & Felicity Redgrave) for all your help, support and love I've gotten from you over the past 16 years! I would never have made it where I am today without you, and I wouldn't change any of it for the world! Dance has been a massive part of my life and I wouldn't be where I am today without the BSD family around me!

Love, A xxx

Thank you for everything that both of you have done for me over the 16 years I've been at BSD. I wouldn't be going to Rambert without your support and help. I will make sure to keep in touch in the future! :)

...We appreciate how you take up everyone's individual concerns and make everyone feel that they are important and happy. We are certainly more than happy and wish you many more years of summer school to follow your 40th anniversary. Thank you for a great show and special celebration.

...What a joyous opportunity these Summer Schools have given to so many children. It offers a weeks sharing experience for pupils and teachers alike. Long may it continue...
